What JCYA Cheerleading is about: The JCYA cheerleading program is designed for girls ages 5-14. Cheerleaders must be at least age 5 and no older than age 14 prior to July 31 to participate in the program. We do not require tryouts, therefore, everyone can cheer!

Our Goal: Our goal is to teach the girls all about cheerleading and to have nothing but fun with it! Cheerleading is a fun, great sport that every girl should get the chance to do!

Cost: \$60.00 to cheer and \$60.00 in raffles.

Practices: They will be held every Tuesday and Thursday nights 6:15-8:00.

Games: The games are mostly on Saturdays with occasional Sunday games! The times will vary but you will get a schedule once your daughter is placed on a squad.

Fundraisers: We will be doing fundraisers to help with the any extra expenses! We already have a couple lined up!

Things your daughter(s) will learn: The girls will learn many chants and cheers along with two half time dances. One of the dances they will perform during every half-time and the other one will be for the big super bowl game at the end of the season. They will also learn many proper cheerleading techniques and jumps!

About the Coaches: This is both Holly and Crystal's second year as coaches for JCYA. We both so enjoyed the squads last year, that we are honored to come back. Both coaches have extensive cheerleading backgrounds. We have implemented a "referral program". The girl that has the most referrals will be rewarded with something special from the coaches! We look forward to working with the girls and parents. We would like to see this as the largest squad yet. We are looking forward to a wonderful year.!
